YEHUA.

THAT YEAR,
I SHOULDN'T HAVE
SAVED YOU.

IF I COULD
TRAVEL BACK
IN TIME,
I WOULDN'T
SAVE YOU.

I LET YOU GO, SO
LET ME GO, TOO. FROM
THIS POINT ON, WE
WON'T HAVE TO BE IN
EACH OTHER'S DEBT.

I can't go back...

Am I going
to die here ?

Ah

I remember now,
I wasn't Sane.

I wasn't a
mortal version.

I was QingQiu,
Soldier of the
White Shadow.

YOUR FURRY'S ARE

THE GREATLY

WITH THOSE FIVE AND
ALREADY WASTING YOUR

There was a
year when Fourth
Brother went
to shopping, but
Tongle's like to
play

Then I discovered
a little, little
corner snake.

It looked
so pitiful, I picked
Fourth Brother to
bring it back to
Guaolu.

The King went to
Guaolu for two years
recovered from her
sorrow, but

After she looked
completely
she said she wanted
to repay me,
so she stayed.

Two hundred
years went by

To the day Father
His busy and mother
returned to Guaolu
and told my engagement
was settled.

His father
brought word to
the emperor's second
son, the favored
Young El

The news of my
engagement spread
throughout, and so

After all the
memorable scenes of
my engagement, they
all came flooding and
congratulating me.

The other case of the "Esperanza" did not want to be reported for fearing their eyes on the throne, so they avoided contact with me.

Three hundred years ago, Henry Jones Palfrey was the other winner.

**THE
LAW OF THE
LAND**

Other parties didn't dare to offend the City limits, and wouldn't come to discuss any association with our nation.

It is now according to the Emperor's wishes. I would have to marry Sir Yellu.

But the thought
of how long you
lived past your
death can make you
unconcerned.

As a result,
it was the first of its kind in
the world.
